

HYPNOS

Dear friends of dance

For the dance theatre production HYPNOS – which will premiere on 8 October in Grosse Halle, Reitschule Bern – we are still looking for financial support to finance our 11 young artists and the project.

Our cast, Aisi Zhou, Shuting Wang (China), Haruka Hirai (Japan), Luigi Imperato, Blanca Lo Verde, Gian Luca Lazzarini, Filippo Franzese (Italy), Emma Hanekroot (Holland), Lies Lambrecht (Belgium) Mara Peyer, Ilaria Rabagliati (Switzerland) are in Bern for a month to work and perform together. They have all just completed their dance educations and want to embark on their artistic careers from the Swiss capitol with this production.

You are welcome to help with our crowd-funding and, for example buy two tickets already (see “Goodies”) – or forward this flyer and the links below to friends and family.
